## NOT TO MISSED ON THE EXHIBIT FLOOR

Innovation Pavilion  
Sustainable Development Goals (SDGs) Theatre  
Product Launchpad Theatre

Technology Spotlights  
Drone Pavilion  
Intelligent Water & Cybersecurity Pavilion  
Circular Water Economy Pavilion

# WEFTEC 2024 is the only water show selected to be a part of the U.S. Commercial Service Trade Event Partnership Program (TEPP).

## WORKSHOPS

WEFTEC workshops enhance the attendees' educational experience. With eighteen workshops over two days, attendees are offered hands-on, interactive courses with subjects covering topics from wastewater microbiology to communications.

## TRADE EVENT PARTNERSHIP PROGRAM (TEPP) AT WEFTEC

WEFTEC 2024 is part of the Trade Event Partnership Program (TEPP), sponsored by the U.S. Department of Commerce, International Trade Administration. International Trade Specialists from the U.S. Department of Commerce are available in the Global Center to provide matchmaking assistance and export trade counseling to international attendees and U.S. exhibitors.

*Contact the Commercial Service Specialist at your local United States Embassy or Consulate to discuss participation.*

### WEFTEC's Global Center Services Include:

- Multilanguage translation (as required)
- Presentations of global interest
- International reception
- Complimentary Wi-Fi
