KAZAKHSTAN - ITALY

Trade Investment opportunities on the Road to Kazakhstan

This event of great institutional and business importance aims to strengthen economic cooperation and consolidate ties with Europe and the West. It represents a significant opportunity to discuss and follow up on the guidelines set by President Tokayev in his recent meeting with the Italian government, which highlighted Central Asia as a strategic front for Italian interests, and the visit of the Italian Minister of Foreign Affairs, Antonio Tajani, to Kazakhstan, where initiatives for economic, industrial, and development cooperation were promoted to facilitate trade and investments between the two countries, further strengthening economic and commercial ties.

Promoting Kazakhstan's role in relations between Europe and Central Asia
